

Adolescent and Youth Empowerment Programme

Brief about Educo

Education and Development Foundation-Educo is a global development and humanitarian organisation based in Barcelona, Spain and with over 30-years' experience working in 14 countries in Asia, Africa, Latin America and Europe. Since 1999, Educo Bangladesh works with children and their environment to promote just and equitable societies that guarantee their rights and well-being. Currently, we have been implementing Bangladesh programmes in 10 districts in partnership with 15 local NGOs for ensuring localisation and sustainability under three broader strategic priorities of Education, Protection and Governance. We have strong existence in the Rohingya camps since 2019.
